(c) whether provision exists for upgrading and strengthening the AYUSH infrastructure including hospitals, dispensaries, educational institutions, pharmacies and testing laboratories, training colleges and centres, if so, the details thereof;
(d) the details of proposals received by the Government from States/UTs for upgrading and strengthening the infrastructure of AYUSH through State Annual Action Plan, stream-wise along with the action taken by the Government thereon; and
(e) the other measures taken by the Government for the development, promotion and creating awareness of AYUSH?

Answer

THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA, YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY(AYUSH)
(SHRI SHRIPAD YESSO NAIK)

(a) to (e): A statement is laid on the Table of the House
STATEMENT REFERRED TO IN REPLY TO LOK SABHA
STARRED QUESTION NO 85 FOR 29TH APRIL, 2016

(a) The schemes of the Ministry of AYUSH are demand driven. The proposals are received from various State/UT Governments and other agencies and funds are released subject to viability of projects and availability of funds. However, the physical targets have been fixed in schemes under the National Medicinal Plants Board(NMPB). The physical achievements are at Annexure-I.
(b) The funding pattern of Central Sector Schemes is on 100% basis. However for the Centrally Sponsored Schemes, the funding pattern during the last three years and current year has been as under:
(i) 2013-14 and 2014-15 (upto 28th September 2014): The funding pattern under the erstwhile Centrally Sponsored Schemes of Development of AYUSH Hospitals & Dispensaries was in the ratio of 75:25 between Centres and States except for NE States and three hilly States of Himachal Pradesh, Uttarakhand, Jammu and Kashmir, where the Grant-in-aid component from Government of India was 90% and remaining 10% is the State contribution. In respect of other erstwhile Centrally Sponsored Schemes viz. Development of Institutions, National Mission on Medicinal Plants and Drug Quality Control, the funding was on 100% basis.

(ii) For 29th September 2014 to 28.10.2015: The funding pattern under National AYUSH Mission which included AYUSH Services, Educational Institutions and Quality Control of ASU&H Drugs was in the ratio of 90:10 between Centre and States for special Category States (NE States and three hilly States of Himachal Pradesh, Uttarakhand, Jammu and Kashmir) towards all components under the scheme. For other States/UTs the sharing pattern was 75:25 between Centre and States. In respect of Medicinal Plants, this component is financed on 100% by Central Government in North Eastern States and hilly State of Himachal Pradesh, Uttarakhand and Jammu and Kashmir where as in other states it is shared in the ratio of 90:10 between Centre and State.

(iii) After 28.10.2015: The funding pattern of Centrally Sponsored Scheme for all components of National AYUSH Mission (including Medicinal Plants) has been revised in the ratio of 60:40 between Centre and States, while it would be in the ratio of 90:10 for 8 North East States and 3 Himalayan States (Jammu Kashmir, Uttarakhand and Himachal Pradesh). The UTs will be funded as 100% basis by the Central Government.

A statement showing scheme-wise the funds earmarked and released during the last three years and current year is attached at Annexure-II. The State/UT wise releases made in respect of the Central and Centrally Sponsored Schemes during last three years and current year is at Annexure-III.

(c) Under different components of the Centrally Sponsored Scheme-National AYUSH Mission (NAM), there are provisions for upgrading and strengthening of the infrastructure of AYUSH including hospitals, dispensaries, educational institutions, pharmacies and testing laboratories. The details are enclosed as Annexure-IV.
The AYUSH infrastructure including hospitals, dispensaries, educational institutions, pharmacies and testing laboratories, training colleges and centres are also strengthened through other Central Sector Schemes of AYUSH.

(d) The details of proposals received by the Government from State/UT Governments and other Institutions under NAM for upgrading and strengthening the infrastructure of AYUSH through State Annual Action Plan and funds allocated by the Government of India for the purpose during the last 2 years is enclosed as Annexure-V.

(e) The measures taken by the Government for the development, promotion and creating awareness of AYUSH envisages upgradation of Research, improving quality of education & drugs, standardization & accreditation of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy, cooperation and promotion of AYUSH with various countries, collaborative research with various countries, encouraging research in various Universities/Colleges through Extra Mural Research etc.

The details of measures proposed under the Schemes of Information, Education and Communication and National AYUSH Mission (NAM) for promotion and awareness of AYUSH is enclosed as Annexure -VI.
